## Normandy Farms Estates Beautification Project

Throughout Acts Communities, there is a commitment to Re-building, re-balancing and re-imagining our future as we move on from the COVID pandemic.

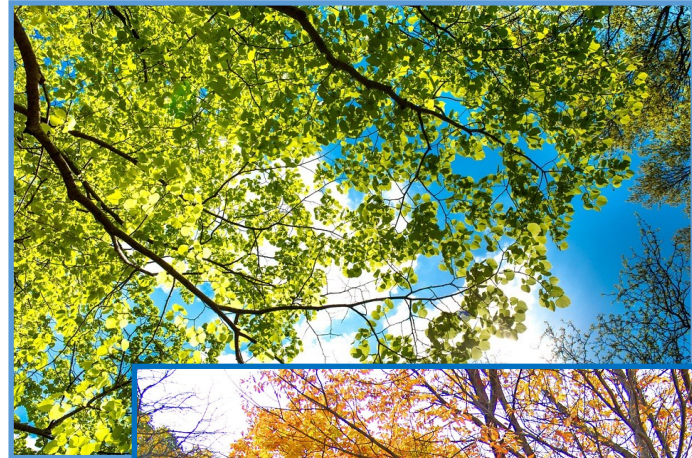

An initiative to reinvigorate and beautify the Normandy Farms Estates Campus is underway to create a living tribute to those you wish to honor in a very special way and long-lasting way. By sponsoring a tree or shrub, you can have it dedicated in memory or honor of someone special.

Your name as the donor and the name of the person to be remembered or honored, along with the species name of the tree or plant, will be indicated on a tree marker plaque. A tribute card will be sent to the honoree or family as you wish.

Donations are voluntary and tax-deductible according to IRS regulations. Your gift to this initiative is very much appreciated.
